SECRETARIAT GENERAL & MUNICIPAL BRANCH 17 MAY 1951

Sir,

Subject - Seal coating with tar - Adipampa Road

I write to state that the Adipampa road in Vanivilas Mohalla is a major road branching from Valmiki road and running right up to the western end of the Vanivilas Extension It is also the main road running between Jayalakshmipuram on the left and Vanivilaspuram on the right Traffic on the road is very heavy The road is subject to frequent scouring during rains To avoid the frequent repair work and also heavy maintenance charges, the Municipal Engineer placed before the Works Committee an estimate for Rs 5900/- for seal coating the road with tar and the same was duly approved by the Works Committee and the Council at their meetings held on 16-4-1951 and 30-4-1951

In enclosing the copies of the above resolutions, I request you kindly to obtain orders of Government sanctioning the estimate (enclosed) which is prepared on the basis of scheduled rates accepted by the Council

Yours faithfully,

Municipal Commissioner
